Credit: 1

Introduction to drawing with studies on a variety of media, techniques, and subjects including still life, landscape, portrait and life drawings.

#### **Art II: Painting (7004)**

Prereq: Art I

Grades: 10 - 12

Credit: 1

Introduction to painting concepts and techniques with emphasis on various media such as watercolors, acrylics and pastels using different surfaces such as paper, canvas, etc.

#### **Art III: Graphic Design (7037)**

Prereq: Art II

Grades: 11 - 12

Credit: 1

Students will learn to research and then develop art and copy into printed materials using computers. The students will develop menus for restaurants, t-shirt designs, business cards, logo designs, greeting cards, and open house flyers. The students learn to meet the requirements of their clients or customers. Graphic designers use computers to produce the art but still rely on fundamental design principles to create it.

**AP Art**

Prereq: Art I

Grades: 11 - 12

Credit: 1

**Band I, II, III, IV**

Band I (7008, 7009)

Band II (7010, 7011)

Band III (7012)

Band IV (7014)

Prereq: musical experience      Grades: 9 - 12      Credit: 1

Students develop instrumental music skills, learn music theory, develop music listening skills and learn to perform in marching band. The course requires higher level thinking skills and knowledge of music theory all incorporated into audition and performance opportunities.

All **Art II** classes will be taught on a rotating basis. Below is the schedule for teaching the Art II classes; please plan accordingly.

Art II: Drawing will be taught the 2017-2018 school year.

Art II: Painting will be taught the 2016-2017 school year.
